Tonight's Danish Rules:

Example: In a 8 Lap Danish the bell will ring 3 laps in a row. The first bell will be rung after 7 laps and when the lap cards read one lap to go. The winner of the 8th lap will be awarded 1st place in the race. The winner of the 9th lap will be awarded 2nd place. The winner of the 10th lap will be awarded 3rd place and all other riders will be placed accordingly. Yes we know the race is actually 10 laps for most of the riders !
